Welcome to Oakland Yard Athletics Summer Camps 2012

VARIETY

For 16 years, since 1995, Oakland Yard Summer Camps has offered parents and campers a fun and exciting place to be, caring environment, safe place to spend their summers. Summer camp is about making new friend, learning new skills, opportunity for social interaction and just having new experiences. We are very proud of our excellent staff and the variety of activities that we can offer your camper. We look forward to another fantastic summer!

CONVENIENCE and VALUE

Oakland Yard has been a valuable resource for parents to keep their kids active throughout the summer months. We offer the most flexible schedule of attending our programs so that you only need to enroll when you need our services. Our attention to your children far exceeds the value you'd find in traditional daycare options.

NEW FOR 2012

As we enter our 17th summer, we have redesigned our brochure, divided age groups in many of the old favorites, and have added 13 new camps this year.

ON-LINE REGISTRATION

Oakland Yard is offering online registration with several payment options still. After you register, you'll receive an email confirmation and at the end of May we will send out the welcome letters with the updated stickers for your campers passports. NOTE: All camperships will be kept at the front desk for pick up after June 1st or you can wait until the first day of camp.

SAFETY

We realize your children are paramount. That's why Oakland Yard strives to maintain a consistent staff from year to year. All staffers have Michigan State Police background checks performed prior to hiring. Our unique passport program ensures your child's vital information travels with him/her throughout their experience at Oakland Yard.

THANK YOU

Thanks for considering us. We are incredibly excited about celebrating our 17th season with you!

OYA Before and After Camp Programs

Breakfast Club – 7:30am to 9:30am

4-13 yrs.

Children may be dropped off at Oakland Yard for breakfast as early as 7:30am. **(Please no drop offs before 7:30.)** Campers will have a choice of several items each morning such as French toast, eggs, pancakes, bacon, donuts, muffins, oatmeal, orange juice, cold cereal, etc. After breakfast, campers can draw, kick around a soccer ball, play board games or just relax and watch the Cartoon Channel. Breakfast Club runs from 7:30am to 9:30am Monday through Friday. Hot breakfast served until 9:00 am.

Breakfast Club costs \$70 per week, or \$20 daily. Sign-up the morning of or in advance.

Lunch Club – 12:00pm to 3:00pm

4-13 yrs.

Lunch Club is designed to help keep campers busy, if they want to participate in scheduled programming. If they liked the traditional relaxed Lunch Club structure, we haven't changed it. We are just going to offer and encourage a more structured program.

Lunch Club starts after our morning camp session concludes. Lunch Club runs from 12:00pm to 3:00pm Monday through Friday (see below for options). Roughly half of the morning camp population stays each week to 'party with the staff' during Lunch Club. Directly after morning camp we serve a healthy unlimited lunch buffet on the patio. Kids enjoy a well-rounded lunch with cold drinks; their morning camp staff member attends to all kids during lunch. Our daily menu rotates. Main entrée items include, but are not limited to, quesadillas, Sloppy Joe's, tacos, grilled cheese, nachos, submarine sandwiches, barbecued hamburgers, and chicken nuggets. Vegetables and fruit accompany all entrees. Chips, cookies, and other snacks are also offered daily. After all kids are full, campers have a mandatory afternoon meeting on the hill to explain the activities for the afternoon and to slather on the sunscreen. This meeting usually takes 10 minutes.

The first hour of Lunch Club is now called "Free Hour." After a structured morning, campers love the freedom to choose to kick around a ball, play a board game, ride the gigantic slip-n-slide or just hang out with their friends. During Free Hour the following example stations could be open: golf driving range, Lego's, slip-n-slide and sand castle contest. Campers can also choose to chill under the tent with games and books.

After Free Hour we open 6 stations and campers are encouraged to try all activities each afternoon. Campers can sign up for at least three of the six stations. Look at the Activities Board each morning for the days' station offerings. Our slip-n-slide will be open and attended by a staff member throughout the afternoon for cool-down rides anytime.

STATION #/NAME	SAMPLE ACTIVITIES
1 - Sports	Basketball, soccer, mini sticks, kickball, lacrosse, dodge ball, skateboarding
2 - The Yard	Nuke-em, tetherball, horseshoes, 4-square, capture the flag, sandcastle contests
3 - Confidence Builder	Ropes Challenge, field day games, developing problem-solving skills
4 - Creation Station	One structured art project daily and then open art studio - including friendships bracelets, lanyards and more
5 - Games & Activities	Board game showdown, scavenger hunts
6 - Wet & Wild	Slip-n-slide, water dodge ball, water balloon toss

Lunch Club costs \$95 per week or \$25 daily. To participate in Lunch Club campers must be enrolled in camp that same week.

Working Parent – 3:00pm to 6:00pm

4-13 yrs.

Our "Working Parent" Option is for families who need extended care after lunch between the hours of 3:00pm to 6:00pm. Parents can either register when they register for camps or prior to the start of their selected camp week through the front desk. **Registration must be secured with a credit card.** Accumulated charges will be applied to your credit card at the end of the week. Parents will be responsible for signing their child out each day with our Working Parent director. You may enroll for one day or the full week. Nutritious snacks are provided daily at 4:30pm. **The cost for this service is only \$6 per hour per child.**

Oakland Yard will accommodate all allergy/dietary needs to the best of our ability.

Please contact our Camp Director Dawn Hull (dawn@oaklandyard.com) to discuss your specific needs.

What's What at OYA

OYA Passports

Oakland Yard is continuing our passport program to ensure that we are a leader in safety by providing a worry-free place for parents to leave their children. In addition to our passport security measure, we will ask that you park your car and come into our gated area each day to drop off and pick up your child. Children will not be released into the parking lot without a parent/adult chaperone at the conclusion of camp. Attention Parents: Please be aware, any of our staff may ask for ID upon departure.

Campers will use their passport on a daily basis to check in with their respective counselors once they enter our campus through the front gated area. Counselors will use this passport and the information contained therein as a quick reference for attendance, emergency information and departure. Upon receipt of your child's passport, we request that you refer to the appropriate pages and fill in any additional information with a pencil. If someone other than yourself will be picking up your child at the end of the day, it is imperative that you record this information in the passport. We understand that the protection of your privacy is important, therefore we do not ask for your home address or personal information in the passport. Camper passports will be returned to each child at the end of the day when their parent checks them out with their counselor.

There is a one-time passport fee of \$10 per child regardless of the number of camps for which they are registered. This passport will never expire and can be used as long as the required photograph of your child is updated each year. Replacement of a lost passport is \$10. Handmade passports will not be accepted.

Ice Cream and Candy Credits

Parents who want to pre-purchase ice cream and candy for the campers can do so for any amount they desire. Just fill in the registration box with the code on your application and write in the amount you want to purchase.

Why do this? It allows the kids to have a treat without carrying around cash, which they may lose. Our counselors will keep the passports safe during the day. Campers can redeem their credits after camp concludes at noon with a parent or guardian or at a predetermined time during Lunch Club and/or Working Parent hours.

If you are a new camper and we are sending you a passport, we will stamp your ice cream and candy page with the appropriate credits. If you are a returning camper and already have a passport, we will have a stamped ice cream page to add to your passport. Candy and ice cream costs are \$1.50 per item.

Slip-n-Slide

From our youngest to oldest campers, our slip-n-slide has become an old favorite. Every child enrolled in a camp at Oakland Yard will get a daily opportunity to play on our gigantic slide. Measuring 150 feet in length and 20 feet in width, our amazing slide is even a hit with our counselors! Everybody that wants to cool off will get plenty of opportunities at a run down the slide this summer. Campers should bring a towel and bathing suit to camp each day if they would like to use the slip-n-slide. Depending on the weather, each camp group will spend approximately 10 to 15 minutes per day cooling off on the slide.

Your Children and Sunscreen

Please be advised that your child will be outside in the sun for a portion of the day for most camps while at Oakland Yard. We make all efforts to ensure that each and every child is protected with sunscreen while here under our care. We ask that you help in this effort by applying sunscreen to your child before you drop them off in the morning. If your child will be staying for an extended afternoon with our Lunch Club and/or Working Parent we will reapply sunscreen at the lunch time hour and as needed throughout the day. To help with this, we ask that you send sunscreen with your child in a daypack and advise your child that his/her cooperation in reapplication is appreciated and necessary.

Oakland Yard Web & Email Communications

We often use email as a way to send notes, camp information and also announcements. It is important that you have your updated email address on file with us.

Our website is Oaklandyard.com. A lot of our camp information is available for download in the "forms" section of the website (parent's guide, transportation, refund policy, Friday Night League registrations). If you have any questions or concerns you may email the camp director at Dawn@oaklandyard.com. We generally attempt to respond promptly to all emails, however if your matter is time sensitive, it is best to reach us at 248.673.0100.

What's What at OYA

OYA Mail Call

As overnight campers, we loved getting care packages from Mom and Dad. Our day campers can experience this same thrill with our OYA Mail Call. We have our own official mailbox for you to deposit your letters, care packages and such into when you drop off your campers in the morning (without the expense of shipping). Kids are so excited to get the mail and it's a great way for you to let them know you are thinking about them. Please be sure to drop off all packages no later than Wednesday morning. We will have Mail Call on Wednesday during our Lunch Club daily roll call. If your child is not involved in our Lunch Club program, deliveries will be made (to your child) on Thursday morning at the start of their camp.

Rain Day Policy

In the event of rain, Oakland Yard campers will participate in an indoor field day with all of the campers from all camps inside the dome. Although campers will be welcome to stay for the day when it rains, they may be asked to participate in activities other than the camp for which they have registered. There will be a variety of activities offered throughout the morning such as capture the flag, kick ball, soccer, and football to name a few. We understand that many parents rely on Oakland Yard Camps to care for their children while they are at work. Please be assured that we will never turn your child away on a rain day. We just ask that you are aware that your child's day may not revolve around the activities for which they have been enrolled. That is, if they have been enrolled for golf for the week, they will not be golfing on the rain day. Camps that generally do go about their business on rain days are Sports & Games, Arts & Crafts, Soccer, Hip Hop and Cheerleading. There will be no makeup days offered if a rain day should occur, except where noted.

Electronics

All electronics (Gameboys, MP3 players, cell phones, etc.) and personal Pokemon cards will be prohibited. Many of these items are expensive and Oakland Yard Athletics will not be held responsible for the loss or theft of these items. Additionally, our experience has shown us that these items create distractions for campers, who we encourage to participate in active and social activities.

Counselor-In-Training (CIT) Program

14-16 years

Has your child been with us since they were 5? Do they love being around young children? Are they interested in becoming a Summer Camp Counselor? What an opportunity to be a positive role model and make some new friends. Applications are available for teens that are 14 years old by June 1st, 2012.

- Applicants will be asked to interview with the program director, just like all potential employees do. If selected, **there is a minimum commitment of four weeks** over the course of the summer.
- After the end of their four weeks they will have a comprehensive evaluation sent to them by the Camp Director. This evaluation will determine things to work on and positive comments they received from their counselors over the weeks.
- All applicants must have a "kids come first" vision and place the camper's safety, well being and camp experience first.
- We will provide your CIT with an opportunity to learn from some of the best camp counselors in the business. CIT's will have the option to lead and assist everyday with responsibilities. They will be responsible for interpreting the rules, policies and traditions.
- Most of Oakland Yard's counselors are full-time teachers during the school year or full-time college students at some of the best Midwest universities. Who better to learn from?
- All CIT's will be under the guidance and supervision of our CIT Director and Camp Director. Interested candidates should download an application from our website @ oaklandyard.com/forms.htm.
- Deadline for the applications will be May 1, 2012.

NEW! Volunteer Camp

Designed to raise awareness in our community, we here at Oakland Yard are proud to announce our first year of volunteer camp. This year we will be working with Gleaners our local food bank distributor. We are looking for individuals that are willing to give up a few hours in week to make a difference in someone's life. We will start off at Oakland Yard, travel by vans to the food bank where we will learn a quick history, tour the warehouse, and then followed by a great hands on experience. The vans will then pick us back up and bring everyone back to OYA. Campers will receive a certificate at the end of the week and also can use these hours for community service. **Camp runs from 8:30am to 12:30pm Tuesday thru Friday.**

Have a kid always trying to lick the brownie spoon (despite the raw egg)? Do their baking skills need a little work? Are they fixated with 'Cake Boss'? Turn their inner-cooking passion loose this summer, and with a little luck eat some of their creations nightly after dinner. We've partnered with Buttercream Bakeshop owner Marsha Hogerheide for this introductory baking camp. Marsha will lead all camps throughout the summer, providing cooking tricks and years of experience along the way. Campers will learn to use the tools of the trade (whisks, measuring cups, blenders, thermometer, kitchen scales) as they bake different decadent creations (cookies, pies, brownies, cakes) daily. Decorating cakes with dyes, and frosting tips/bags will take place. Each day Marsha will have one group project/lesson for kids to participate in. Proper food safety will be stressed daily. All campers will receive their own apron to keep. Camp runs Monday thru Friday 9:30am to 12:00pm.

This camp is designed with the little want-to-be driver in mind. Children who love cars and trucks will be head-over-heels for this camp. Campers will be assigned their own electric car to drive and maintain throughout the week while they learn the 'rules of the road' and 'car care'. We'll be attempting to put a fun/educational spin on ownership, maintenance, and operation of a car! All campers will start out with \$1,000 of play money. All will be portrayed in a positive light, with each experience being educational.

Campers will earn their drivers license by taking a driving test prior to getting the keys to their new ride. Not to worry moms and dads, these cars don't go very fast. Throughout the week, campers will learn the essentials of 'auto economics': fuel, speeding tickets, insurance fees, and maintenance. Practical knowledge will also be part of the fun including parking, four-way stops, pedestrian and bicycle safety, merging, changing lanes, and obeying traffic signs in preparation for the fun on Friday. Golf

\$180 with Campership or \$195 without

Note: Please review transportation information on page 32.

Booster seats required for transportation on Tuesday.

Our most popular camp every year! This program features two days out on the golf course each week and three days on our range hitting hundreds of golf balls! On Monday campers will be introduced to stance, club grip (kids should bring a golf glove) and proper swing. We will learn brief history, golf etiquette and some common rules. Groups will be formed on Monday (Groups will be divided by age and ability per golf director).

Group 1 will travel to a local Golf Course to participate in a scramble format (6 to 9 holes per group will be played depending on age and endurance) on Tuesday and Wednesday. Each group will be closely supervised with 1 coach per group.

Group 2 will travel to a local Golf Course Thursday and Friday.

The teams staying at OYA will be having team competitions. The competition could include fairway accuracy, chipping, putting and driving accuracy using suspended targets.

Important note to parents: our golf director will have final say on all groups. Every effort will be made to keep friends together.

Golfers will still be able to use the slip-n-slide daily. If your camper will need left-handed clubs, please contact the camp director prior to the first day. A letter will come home on Monday to let you know which days your camper will be on the golf course and what times to expect the campers back.

Advanced Golf

\$275 with Campership or \$295 without

Note: Please review transportation information on page 32.

It's time for a little independence on the golf course. We're going to let our 'up and coming' golfers spread their wings a little with this camp while on the course. Campers will have the pleasure of playing like adults (as long as they behave themselves!) all the while receiving instruction from two accomplished instructors. Our two instructors will play along side the three foursomes of campers each day of camp. Our advanced golf campers will practice Monday at OYA's driving range then visit a local course. Course management, competitive games, strategy, club selection and positioning will be reviewed. We recommend all campers have a golf glove.

Camp fee includes green fees and lunch daily at various local courses. Oakland Yard will provide all transportation to and from the course. Campers are to meet at Oakland Yard all four days; departure will be promptly at 8:00am daily, campers must be on time. Friday is reserved as a make-up day in the event of a rain out. Camp runs Monday 9:30am to 12:00pm and Tuesday through Thursday 8:00am to 1:30pm.

Guitar

\$155 with Campership or \$170 without

When you're 19 and sitting by a campfire with your buddies, you're going to wish you took this camp. One of your friends will be playing his guitar, singing some cool song and looking like the 'king' that you could have been had you known how to play the guitar. This camp isn't going to make you the next Pete Townsend, but it's going to start you down the right path to becoming 'that guy' in 10 years. Imagine sitting on the beach playing and singing cool songs? If you've ever wondered if it's hard or if you can really do it, we're going to attempt to answer these questions. Got a guitar in the basement? Bring it in, our counselors will help you tune it up and you'll be ready. By Friday, everybody in the camp will be able to strum a few cords of his or her favorite song. All campers will join together on Friday for a guitar recital at 10:45am. All campers will need their own guitar. Camp runs Monday thru Friday 9:30am to 12:00pm.

LEGO® Juniors

\$95 with Campership or \$105 without

Playing with LEGO® blocks is certainly the main focus with this camp, but as us parents at OYA understand, little people ages 4 – 7 need other activities to keep their minds active and busy bodies stimulated. This will be all about building things: cars, cities, tower cranes, garbage trucks, boats, castles, bridges - everything and anything that comes to mind! We'll bring out all our LEGO® pieces for our little LEGO® enthusiasts and then work with them for as long as they're interested.

Campers will be offered slip-n-slide time at 11:00am. Coloring books, construction paper, crayons, markers, scissors (under supervision), several kinds of tape, etc. will all be available to add to the construction experience. Camp runs Monday thru Friday 9:30am to 12:00pm and includes lunch.

With over 20,000 pieces, construction boards, and full templates to build around, campers will certainly have their hands full with a week of LEGO® building exploration. Throughout this week of designing and building, Oakland Yard's LEGO® director will challenge all participants with inventive construction projects. In addition to using construction templates, children will be shown drawings of modern buildings, bridges, castles, space ships, and vehicles and then be turned loose with an endless supply of LEGO® pieces to duplicate the drawing in 3-D. Most importantly, campers will be encouraged to solve building challenges in a free-thinking, investigative and creative manner by exploring new approaches to construction while working within his/her own abilities. In addition to providing hours of fun, this camp will encourage the development of hand-eye coordination, spatial concepts, creativity and imagination. Camp runs Monday thru Friday 9:30am to 12:00pm.

Treasure Hunting – Pirates

\$128 with Campership or \$138 without

Arrrrr! Attention all buccaneers, corsairs and pirates! Did you know that Edward “Blackbeard” Teach was named Blackbeard for his large black beard that almost covered his entire face? Did you know that Black Bart’s real name was Bartholomew Roberts? Did you know that Captain Kidd, one of the most well-known pirates of all times, had originally been employed to rid the seas of pirates? These are just a few pirates that had fearsome reputations hundreds of years ago as they plundered and looted vessels. While these pirates sailed the seven seas, your camper will live their experiences on land!

The week will begin with the pirates using clues to search for various pieces of a treasure map that will have to be put together to see where the buried treasure is. Does “X” really mark the spot? Throughout the week there will be various “scavenger hunts” and codes to crack that will challenge these pirates – all hunts leading to treasure, of course! By the end of the week, if successful, these pirates will have found a key that will open a treasure chest filled with a bounty of booty.

Campers will use magnifying glasses, binoculars, shovels, ropes, their minds, and their fellow campers to crack the codes that lead to the day’s treasure. Just like the weekly New York Times crossword puzzles, the codes and clues will get more and more difficult as the week progresses. Rhymes, riddles, maps, and keys will all be used to puzzle your young pirate daily. Camp runs Monday thru Friday 9:30am to 12:00pm.

Make this one of the best childhood memories of camping for your child. Nature Camp is an overnight summer camp for boys and girls ages 10-14. Our focus this week is to end the summer with an appreciation for nature and the environment. Campers will spend four days and three nights enjoying the great outdoors, canoeing, swimming, hiking and maybe even find a fishing hole. Oakland Yard will provide transportation (campgrounds to be determined at the first of August), tents, and all meals. Camper to counselor ratio is 1:6 with tents assigned to gender.

Campers will build strong friendships, learn self-reliance, self-confidence and return home with lasting memories under the watchful eyes of our counselors. Honesty, respect and responsibility are the rules for the week with a combination of fun, self-discovery, self-confidence, and safety. Add to that the unspoiled beauty of Michigan, the serenity of the surrounding forests, streams and rivers, toasting marshmallows and sing-a-longs, and you have all the ingredients for a unique and memorable camping experience.

Campers are accepted with the understanding that under appropriate supervision, they will participate in all land and water sporting activities designated for their age bracket on camp property and while on authorized camp excursions. A minimum of 10 campers is required to run this camp.
