

Indoor Premier League Registration 2007/2008

Debuting in the winter of 2007/2008, the Indoor Premier League (IPL) will transform the world of indoor soccer.

The IPL was developed in conjunction with Oakland County's best and brightest soccer coaches and clubs. Using the input from parents, players and coaches the IPL sets out to eliminate the difficulties associates with indoor soccer while offering to clubs three distinct opportunities:

Flexibility: The IPL allows clubs and coaches to pick the dates they play, and, if they wish, their own opponents. As a result, teams will be given their entire winter schedule well before the season, taking much of the burden off busy parents, players and coaches.

Cost: The IPL is a "play-more, pay-less" system. Teams can choose the number of games they wish to play. The costs per game decrease as you play more games. Clubs can save even more by utilizing our "club-discounts."

Competition: The IPL will host some of Michigan's top soccer clubs. In addition, clubs have the option to bring in their own competition from outside the greater Detroit area, thereby allowing clubs to tailor their own schedule to their ability.

The IPL is designed to give young players and their teams the best in indoor soccer. All U-11 through U-18 games will be played on the hour, with two referees, and off-sides enforced.

Oakland Yard also offers leagues for U6, U7, U8, U9, U10 Boys & Girls as well as High School Girls. For more information visit www.oaklandyard.com • U6 through U10: \$495/8 games. HSG: \$895/8 games.
