Introduction

Oakland Yard Indoor Lacrosse League (formerly the Brine League) is once again the largest, most competitive indoor league in the Midwest. Our league is moving back to the Pontiac Silverdome. Most Oakland Yard Indoor Lacrosse League programming (high school and middle school) will be played in the Detroit Lions' former training bubble next to the Pontiac Silverdome, located at M-59 & Opdyke Road. Administrative director: Irene Kiefer (irene@oaklandyard.com).

All athletes that register to play in the Oakland Yard Indoor Lacrosse League will receive 8 (session 1) and 9 (session 2) age/skill appropriate coached games and a lacrosse jersey. Game length will be 50 minutes per match, shift durations will be monitored by the score table and limited to every three minutes. Two state licensed officials will be assigned per game. All games will be played 10 versus 10 on a 80 x 55 yard field. Rosters will be capped at 22 total players per, players will be required to wear all protective gear (helmet, mouth guard, shoulder pads, arm pads, gloves, and athletic supporter). Girls are required to wear goggles and mouth guard. Leagues will be offered for both boys and girls. See below for specific divisions per gender/grade.

All registrations are taken individually for Oakland Yard Lacrosse Leagues and Clinics. Players interested in participating with school teammates, friends, etc. need to indicate those requests on the registration form. Otherwise, teams will be built around the player's ability, experience, and school. Teams submitting full rosters and payment will be honored with no additional players being added. However, rosters with less than the minimum number of players (20) may have additional players added at the discretion of league management.

We'll schedule your team at least two one hour games against some of Southeastern Michigan's best lacrosse teams. This program is being offered due to the inquiries received to date from programs throughout the state. If your team is interested in scheduling an indoor game, please contact our director immediately, time is limited especially in January, February, & March '07.

To schedule your games contact league marketing director Philip Douse (douse@oaklandyard.com). We can arrange discounted hotel rooms, dinner, and other Detroit area entertainment for your players and supporters.

Boys and girls interested in learning how to play lacrosse should consider one of our clinics. The emphasis in our clinics is to maximize the lacrosse experience through repetition. All basic skills will be reinforced weekly; stick handling, passing, shooting, catching, scooping, and protecting. Our clinics are based on an educational format with the goal of developing the participant into game ready athletes as quickly as possible. Clinic participants will need a lacrosse stick. Clinics include 8 or 9 sessions, each session lasting one hour and an Oakland Yard Lacrosse Clinic shirt.

We guarantee that these concepts that will be addressed throughout the clinics: Individual offensive & defensive skills, (attack, midfield, defense), riding and clearing, man up and down concepts, goalie training, and team defensive and offensive overviews.

League and clinic director Hank Lewandowski will oversee all boy's clinic programs throughout the indoor season and Melinda Saylor will oversee the girl's clinic. All clinics will operate on a strict coach to player ratio of 10:1 or better. Clinics are limited to 40 per session.

Private Lessons

Who says private lessons are for tennis players and skiers only? Lets be realistic, if somebody tells you that they'll teach you how to take on five defenders at once during a private lesson, something is not making sense. But if they say they'll make you a better shooter, or passer, or stick handler, then start listening! Private lessons can't do it all, but one-on-one private, intense instruction can help everybody regardless of ability.

Schedule a lesson or a series of lessons with one of our instructors and see the difference a private lesson can make. All private and semi-private lessons are scheduled at the convenience of the client. Our pros travel. Want it in Waterford, Pontiac, or Livonia? We can do it when and where it's most convenient for your lacrosse player.

Stick handling, scooping, passing, shooting, ball possession under pressure, goal tending, and fitness.

\$70 45-minute private lesson
 \$210 Series of four 45-minute private lessons
 \$45 Semi-private lesson, three students for 45-minutes.

Second year boy's director Hank Lewandowski (hank@oaklandyard.com) is currently the head lacrosse coach for the Rochester United team. Coach Lewandowski has held head coaching positions at Pontiac Notre Dame Prep, Grosse Pointe South, and Troy Athens. Hank has been to the state finals once and the state semi-finals as a head coach three times. Hank is a 26-year veteran educator, currently with the Southfield School system.

Fourth year girl's director Melinda Saylor (melinda@oaklandyard.com) is currently the girl's varsity head coach at Cranbrook. Melinda was awarded the '2006 Midwest Coach of the Year' and 'All-Area Coach of the Year'. Current board member of US Lacrosse of Michigan and former President of the MWSLA (Michigan Women's Scholastic Lacrosse Association), Melinda has long standing connections with girl's lacrosse not only state wide but nationally as well. Melinda founded the women's lacrosse program at Albion College.

Facilities

High school and middle school indoor league programming will be run in the Pontiac mini-dome at Opdyke and M-59. All clinic programming and elementary age league play will be run in Waterford in Oakland Yard's lacrosse dome. Both facilities, unlike all other indoor domes in the metro Detroit area are insulated, have contrasting green walls for superior visibility, have more lighting, and are guaranteed to be warmer throughout the winter.

Lacrosse teams interested in getting winter practice time should contact Marty Greenspan (marty@oaklandyard.com). Oakland Yard Athletics has five buildings in Oakland County ready for training.
